

SCS Global Services does hereby certify that an independent assessment has been conducted on behalf of:

Sempera Organics

160 Church Street, Suite 160, Morgan Hill, CA 95037, United States

This company developed, maintains, and administers a

HACCP-based Good Manufacturing Practices (GMPs) Dietary Supplements Program

Product Scope: Powdered mushrooms sold in bulk to functional food, nutraceutical, and cosmeceutical industries

Rating: Excellent

Audit Date: January 25, 2023

Certificate Expiry Date: March 12, 2024

Facility ID #: 1675983923

The certification audit includes a program review and performance evaluation of the site's Food Safety Program. Audit of the program is based on 21 CFR Part 111 (cGMPs for Dietary Supplements) and the operation's stated program requirements.

NOTE: No Product or Process Certification is included in the scope or granted.

NOTE: The product label claims associated with supplements are not federally approved by FDA, nor SCS Global Services.
